

Defined by you. Refined by us.

KD Nutra™, is your ideal partner for customized Omega-3 products, from finished softgel and liquid bottle formulas, to unique customized ingredient blends. As part of the KD Pharma Group, we are uniquely positioned to leverage the experience and capabilities of the global leader in pharmaceutical Omega-3 production.

We have developed a world-class production and manufacturing infrastructure that provides one-stop, full-service product manufacturing (from raw material sourcing to finished product packaging). Our processing systems can manufacture any desired combination of concentration level (up to 99%) and Omega-3 ratio (EPA, DHA, DPA).

We can help you commercialize therapeutic marine lipid products that reflect the ethos of your brand and possesses meaningful points of differentiation.

To find out how your company can offer **MOVE3™** and other responsibly sourced - minimally processed nutraceuticals, contact us at: info@kdpharmagroup.com or visit our website at www.kdpharmagroup.com
